

Plugging into the Future: An Exploration of Electricity Consumption Patterns

TEAM ID	SWTID-2026-7684
PROJECT TITLE	Plugging into the Future: An Exploration of Electricity Consumption Patterns
MAX MARKS	4 MARKS

2.3 – Brainstorming

To build your diagram, start by placing a large central blue circle labelled "Electricity Consumption Analysis" and connect it to five surrounding circles mapping out your project workflow. Fill these outer nodes with their respective steps and icons: Data Collection (database icon, 2019-2020 data), Data Analysis (analytics icon, Python/MySQL), Visualization (dashboard icon, Tableau charts), Dashboard Development (web icon, Flask/HTML/CSS/Bootstrap), and Insights (light bulb icon, lockdown/regional trends). Finalize the layout by adding the project title at the top, the core goal at the bottom, and checking that all spacing and blue-themed elements are perfectly aligned.
